Charitable Gift Annuity

Make a gift & receive payments for life

Do you want to make a gift to one or multiple charities? Would you like to receive regular, fixed payments for the rest of your life? Would you like payments to go to your spouse, parents, children or a friend? Do you want to remove assets from your taxable estate? Are your CDs and money market returns lower than you would like?

If the answer to any of these questions is YES, then a Charitable Gift Annuity (CGA) with **Name** may be right for you.

A CGA is a simple concept. It is an arrangement that involves a charitable gift and an annuity. You make the gift, one or more charities benefit from that gift, and then you receive fixed annuity payments each year for the rest of your life.
