

GIVING FUND SUCCESSION PLAN

In the event of your death or incapacity, or the termination of your organization, you may wish to provide NCF with future instructions regarding the disposition of your Giving Fund. There are four ways to divide the remaining assets in the Fund, and you may select any one of these, or a combination of some or all. If needed, please attach an addendum for additional successor or charity details and your instructions.

- A. Name successor advisors** – Place some or all of the assets from your existing Fund into a new Fund(s) for others (such as your heirs) to distribute to charity. If you do not request a new Fund for a successor, NCF will accept advice from one or all of the successor advisors on your existing Fund.
- B. Support charities** – Recommend grants directly to your church or favorite ministries.
- C. Support NCF's Generosity Catalyst Fund** – Recommend a grant to the Generosity Catalyst Fund, which makes strategic investments in innovative projects and ministries designed to encourage generosity.
- D. Create a NCF Legacy FundSM** – Establish an enhanced type of Giving Fund called a Legacy Fund when you have a Fund balance greater than \$1 million. This is a great option if you desire greater accountability of supported ministries or oversight for your successor advisors (Legacy Advisory Committee). *Contact NCF for more information.*
