

# Giving Fund

A donor-advised fund that aligns with your values

Biblical generosity is about so much more than money. That's why using a Giving Fund at the National Christian Foundation (NCF) goes far beyond just financial transactions. The experience connects you to a larger suite of tools designed with one goal in mind – to help you wisely discern, design, and deploy a plan for everything God has entrusted to you.

## Why a Giving Fund at NCF is different

**Charity research** – Choose from thousands of tax-exempt charities and churches carefully vetted through the lens of Christian values, or recommend a new one at any time.

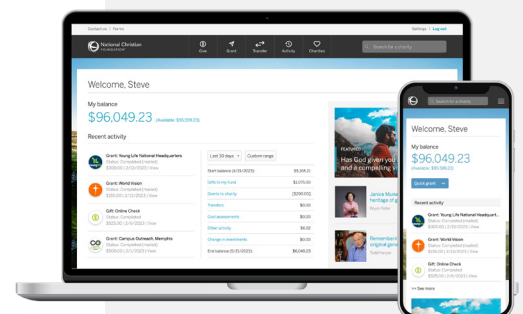

**Charitable purpose** – As a grantmaking organization, our priority is to send money out quickly and efficiently to the charities and causes God has called you to support.

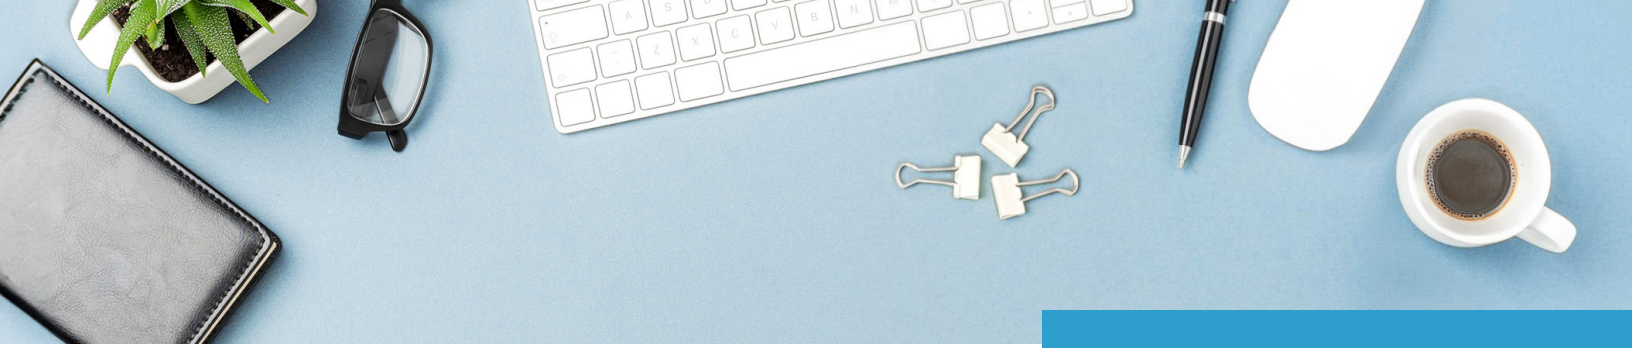

**Faith-driven investment options** – Choose to invest the balance in the fund in a variety of options, including traditional investment pools and others that support biblical values.

**Collaborative giving** – Use your Giving Fund to join others in making an impact in your neighborhood or across the globe. Even in times of crisis, NCF can help you find charities on the front lines, so you can quickly respond.

## What is a Giving Fund?

A donor-advised fund (a Giving Fund at NCF) is a convenient tool to streamline your giving and manage it all in one place. It only takes a few minutes to open one online, and you can start giving from anywhere, any time, on any device.

# How it works

When you open a Giving Fund, it only takes three simple steps to start giving to the charities and causes close to your heart.

- 1. Make gifts to your fund** – Give cash or, for greater impact and tax efficiency, give publicly traded securities or appreciated non-cash assets, like business interests and real estate.
- 2. Choose an investment option** – Select from stable value profiles with low returns to more aggressive options with higher return potential, allowing the fund balance to grow tax-free for greater impact.
- 3. Send grants to your favorite charities** – Log in to your fund anytime to browse charities, select your favorites, set up recurring schedules, and recommend grants.

“

My Giving Fund helps me be a strategic, thoughtful steward of what God has given me. It's been a great resource in my personal and professional life.

Cheryl Hunter,  
Retired businesswoman

## An investment in our ministry

A small portion of each Giving Fund balance is retained by NCF to sustain our ministry. This enables us to help facilitate billions in grants to charity, provide superior resources for you, foster local communities of generosity, and grow an innovative charitable ecosystem.
