

# Discover your Giving Strategy

Pursuing God's story for your generosity

*“... I came that they may have  
life and have it abundantly”*

– JOHN 10:10

# The story of your generosity

happens over a lifetime ... in small moments and big leaps of faith that propel you to adventures with God that you never dreamed possible.

If you envision a life that is more faithful, generous, and fully alive, that story can be yours.

**We believe it starts with  
a Giving Strategy.**

# It can make all the difference

Over the past 40 years, more than 30,000 generous givers and their advisors have relied on the National Christian Foundation (NCF) to help them develop a Giving Strategy that brings clarity and deeper connection to God's purpose for their lives.

By exploring your unique Giving Strategy, you'll uncover opportunities to connect your giving to God's story and experience more joy as you pursue a life of generosity and true abundance.
