

NCF Orlando

A thought partner
you can trust

Since re-launching NCF Orlando in 2012, our team has helped facilitate over \$450 M of grants to charity from an ever growing number of families in the Central Florida area. In 2024 alone, 86 new families joined our community of givers. By creating a local "family office for giving," we have the unique privilege of serving generous and passionate givers as a trusted thought partner.

Our mission is to inspire and multiply Christ-like generosity as we serve families with excellence.
