Dear [Name of Ministry],

We have prepared and mailed [Name of Donor]'s CGA Agreement Packet. A copy of our correspondence is attached for your files as well.

As you are aware, charitable gift annuities are typically reinsured at NCF. Reinsurance will enable us to place in your ministry's Fund now, *in today's dollars*, the amount the Fund is projected to receive upon the death of the annuitant(s). You can expect the amount going to your Fund, which will be approximately [amount], by [Date]. In the event the reinsurance cost would cause NCF's remaining balance to be less than \$500 or 1% of the funding amount (whichever is greater), your ministry's Fund portion will be reduced so that NCF may retain the greater of \$500 or 1% of the funding amount.

Once the funds are available, you may choose to distribute the funds to your ministry (using your online Fund access) or choose a portfolio and allow them to remain in the Fund to grow.

If you have any questions, feel free to contact me.

We appreciate the opportunity to work with you, and we pray that our efforts will be to God's glory and man's good.
